

Privacy policy

This Privacy Policy document will explain how AGRITEST SRL uses the personal data we collect from you when you use our website. This document is to comply with Regulation (EU) 2016/679. This policy is not applicable to any information collected offline or via channels other than this website.

What data do we collect?

- Personal identification information: name, e-mail address, phone number, country, city

How do we collect your data?

You directly provide Agritest with the data we collect when:

- You voluntarily complete the "Contact us" and "Request a quote" website forms to get in touch with us;
- Use or view our website via your browser's cookies.

How do we use your data?

Agritest collects your data in order to reply to your requests by email, such as to provide in deep product or company information, or commercial quotes.

How do we store your data?

Agritest securely store your data at no time limit, and delete your data when they are any more meaningful for further customer assistance.

Marketing

Agritest doesn't apply marketing tools via e-mail, neither uses Google analytics.

What are your data protecting rights?

Under certain conditions, you have

- The right to access, update or to delete the information we have on you.
- The right to rectification of any information you believe to be inappropriate
- The right to object our processing of your personal data
- The right of restriction the processing of your personal data
- The right to data portability: request us to transfer your data to another organization or directly to you.

If you make a request, we have 1 month to respond to you. If you would like to exercise any of these rights, please contact us at info@agritest.it

Cookie policy

What are cookies?

Cookies are small text files placed on your computer to collect standard internet log information and visitor behavior information. When you visit our website, we might collect information from you automatically through cookies or similar technologies. For further information, visit allaboutcookies.org

How do we use cookies?

Agritest uses cookies to allow you to efficiently visit our website, and get in touch with us by filling up the forms “Contact us” and “Request a quote”.

What types of cookies do we use?

Agritest uses only the strictly necessary cookies, essential for you to browse the website and use its features. However, functional cookies might occur when you fill up the forms, depending on your browser.

As for the cookie duration, we use:

- Session cookies which are temporary and expire once you close your browser (or once your session ends); and
- Persistent cookies which remain on your hard drive until you erase them or your browser does, depending on the cookie's expiration date.

How to manage cookies

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in few cases, some of our website features may not function as a result.

Privacy policy to other websites

Agritest website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

Changes to our private policy

Agritest keeps its private policy under regular review and places any updates on this web page. This privacy policy was last updated on May 2022.
